

Forscherauftrag:

Suche dir eine vorgegebene Zahl aus!
Klebe sie in dein Heft!

Nimm die Zahl genau „unter die Lupe“!

Was fällt dir zu dieser Zahl ein?
Schreibe alles genau auf.

Triff dich danach mit 1 oder 2 anderen
Kindern, die zu derselben Zahl geforscht
haben.

Erklärt euch gegenseitig eure Ideen.

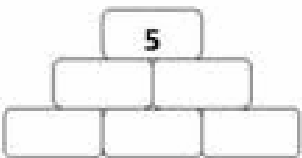

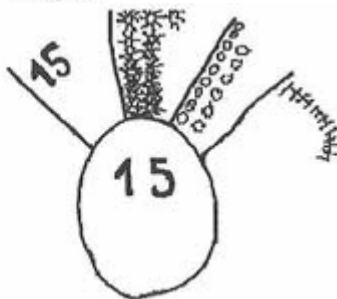

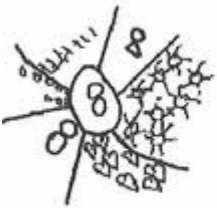

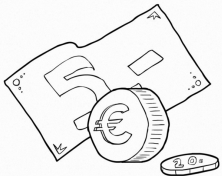

PIKO' s Tipps

Erst schauen. 
Dann überlegen
und Ideen finden!

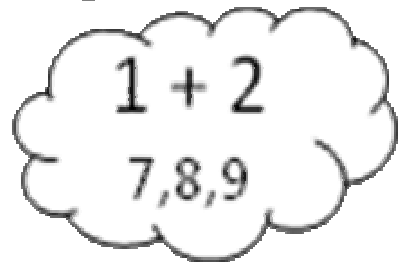

Denke daran,
was du bei den
„Zahlen unter
der Lupe“ schon
erforscht hast!

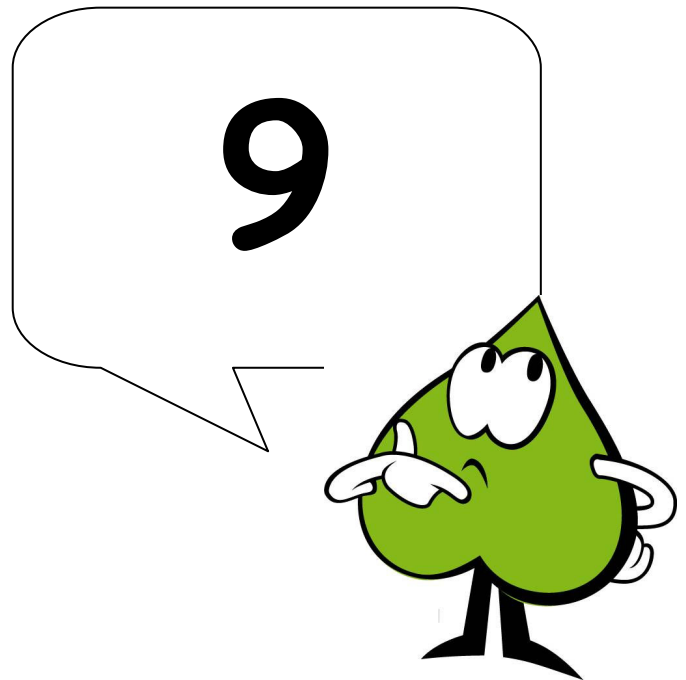

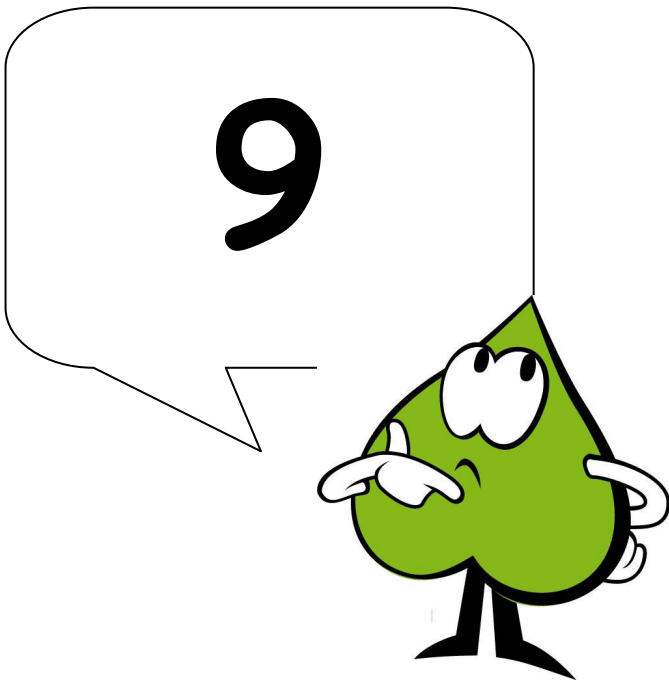

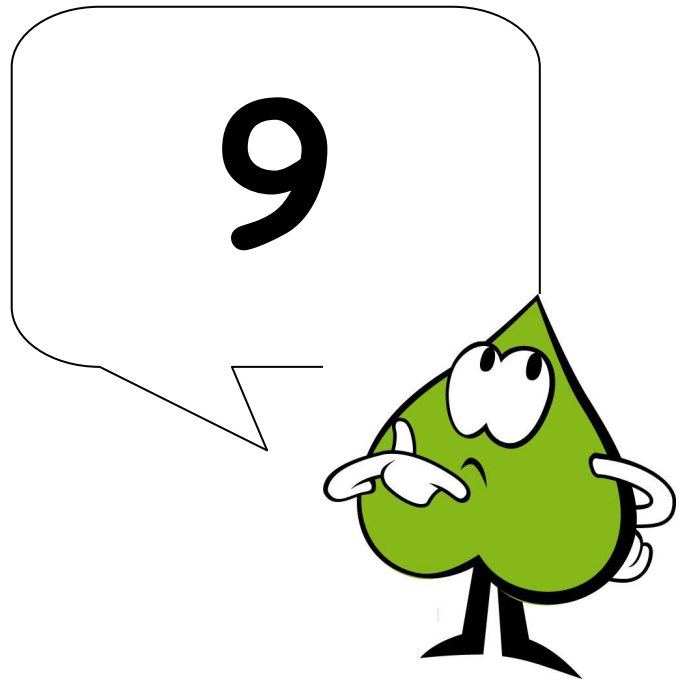

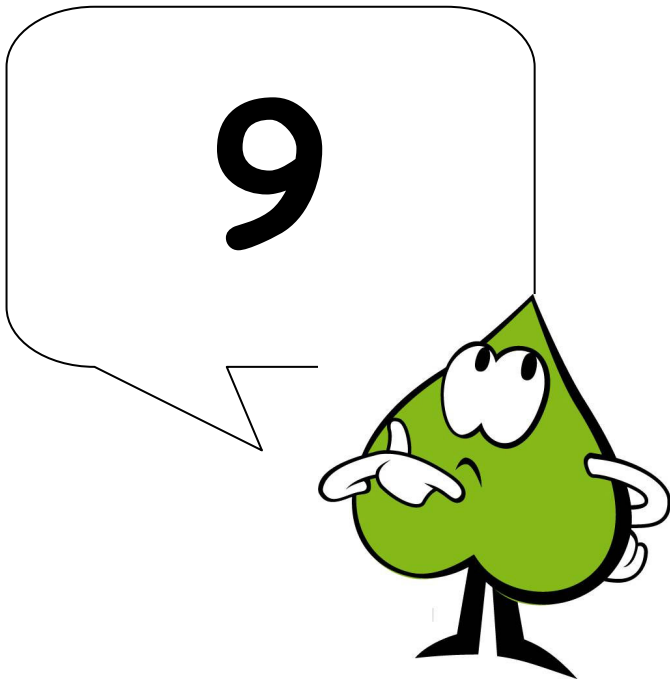

Solche Ideen hattest du auch:

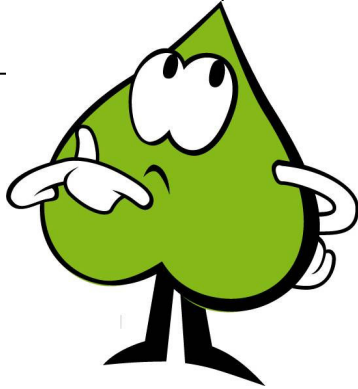

...?!?....

Zahlen- oder Rechengeschichte
aufschreiben!
