

Spielvorbereitung: Karten mischen und verdeckt ausbreiten.

Spielziel: Paare finden.

Spielverlauf: Ein Kind dreht zwei Karten um und benennt die Zahlen

- Sind sich die Kinder unsicher, können sie sich die Zahl über den QR-Code vorlesen lassen.
- Bilden die Karten ein Paar, dann können sie behalten werden.
- Das Kind darf noch einmal zwei Karten umdrehen.
- Bilden die Karten kein Paar, dann ist das andere Kind an der Reihe.

Подготовката игра: Разбъркваме картите и ги подреждаме обърнати.

Цел на играта: Да намираме двойки.

Игра: Едно дете обръща 2 карти и назовава числата.

- Ако децата не са сигурни, могат да чуят числата чрез QR-кода.
- Ако картите образуват двойка, могат да бъдат прибрани.
- Детето може да обърне още 2 карти.
- Ако картите не образуват двойка, тогава следващото дете е наред.
