

Spielvorbereitung:

- Die Karten werden gemischt und mit der Bildseite nach oben ausgelegt.

Spielverlauf:

- Ein oder zwei Kinder suchen passende Quintette und legen sie zusammen hin. Dabei sollen sie immer wieder erklären, warum die Karten zusammengehören.

QR-Code:

- Hier kann die Zahl angehört werden.

Подготовка за игра:

- Картите се размесват и се подреждат с картинките нагоре.

Игра:

- Едно или две деца търсят подходящи квинтети и ги подреждат заедно. При това трябва винаги да обясняват защо са ги подредили така.
