

Zahlenquartett

Spielvorbereitung:

- Die Karten werden gemischt und verteilt.

Spielziel:

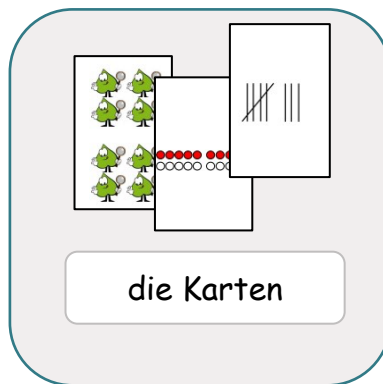

Die Kinder sollen möglichst viele Quartette sammeln.

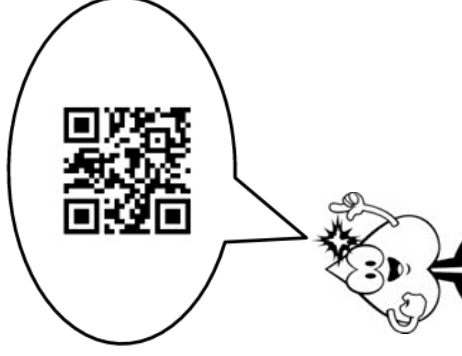

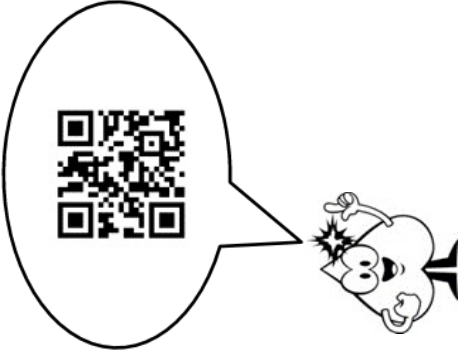

Spielverlauf:

- Ein Kind fragt ein anderes Kind nach einer Karte, die es für ein Quartett braucht.
- Wenn das andere Kind die Karte hat, **MUSS** es diese abgeben und das Kind darf noch einmal fragen.
- Wenn das Kind die Karte nicht hat, ist das nächste Kind an der Reihe.
- Quartette müssen immer abgelegt werden.

Spielende:

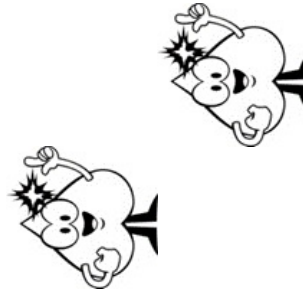

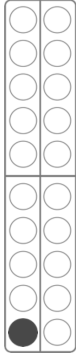

- Das Kind mit den meisten Quartetten hat gewonnen.
